WELCOME TO 1984 - the year of Repression

Many years ago the author GEORGE ORWELL wrote a book called 1984 in which he wrote about an imaginary society where 'BIG BROTHER' watched every move and interfered with how individuals made decisions about their own lives. Everyone regarded this as a terrifying book - but throughout 1983 we've seen attack after attack on the sex industry that clearly show that Orwells's 'model' of society in 1984 is not far removed from the truth. In 1983 these things happened:

1. MORE PRISON SENTENCES - more people were sent to prison under section two of the Obscene publications act than in ANY YEAR since its inception. A high court judge ruled that prison should be an automatic sentence for 'brokers in this filth.' Additionally, another High court judge ruled that importers of pornography were only one degree better than people who imported hard drugs into Britain and should be treated accordingly with long prison sentences. Is it right that the government should interfere with your life in this way? Surely the individual should decide what he reads or looks at and not some BIG BROTHER.

2. LICENSING

This was introduced to cover sexshops and cinemas over 12 months ago. It has been used, mainly, not to license by to prohibit. When the government introduced it they said that they were out to control sexshops not ban them - in reality hardly a sexshop or cinema club license has been granted anywhere in Britain. The premises are still open because of a complicated appeal procedure - but unless the courts are more sensible that the councils then quite clearly LICENSING will have been used as a 'democratic' means of abolition. Is this right, should you be deprived of YOUR RIGHTS to visit sexshops and sex cinemas.

3. ATTACKS ON NEWSAGENTS

In 1983 a concerted attack was made on newsagents selling Whitehouse magazine - in an attempt to ban it. Newsagent after newsagent was charged with selling it. HOWEVER, thank god that the British jury system put a stop to this. After TEN CONSECUTIVE AQUITALS all further charges were dropped with full costs awarded. The publishers had spent tens of thousands of pounds in legal fees to stay in business. Here big brother was stopped in 1983 - lets hope he doesn't return in 1984.

ZETA AT WATFORD F.C.

She is young, blonde and beautiful, she is the one and only Zeta. Her aim in life is to make people's sexual dreams come true. She always tells the truth, and she writes about what really happens to her. She is also an avid football fan, and each month for this magazine, she will be visiting football grounds and meeting real genuine fans. Zeta is a very unusual person, and you'll find out when you read on.

I think the best way to start would be to tell you something about myself. I am twenty five years old. When I was eighteen I left the UK and went to Sweden, and made a fortune in sex films. Just before I left Sweden I was voted Miss Europe.

Now, having made lots of money, I am in the lucky position of only having to work when I feel like it, so this leaves me with plenty of free time.

I have always thought that it is much better to give than receive, and as such I do a lot of charity work.

Of course, in my blue film days I met a lot of so called super studs, and found they bored me to tears. I have a hatred of men who come on strong and expect a girl to drop her knickers right away.

I have always, but always, liked the 'man in the street type of man. Your average, working, kind, nice man.

Now a lot of average working people have problems, and I thought that I would make it my aim in life to help people with their problems. Not by giving money, but by making their sexual dreams come true.

I have this theory that if a man is down, if he is sad and lonely and depresses, then a good fuck session with a girl like me would really put him on his feet again.

I think that a good sex session makes a man more self confident, and that if that sex session also means that specific sexual fantasies come true, then the man gains a lot of self assurance and means that he can go out and face the world again.

So I don't want super studs, I want average men who need my help, who deserve my help. I am at my happiest when I am making a nice man in the street's dreams come true.

Well on with the story. I have always been a football fan, and even when I was in Sweden I followed the fortunes of various clubs through the papers, and when the editor of Playbirds suggested that I go round some football clubs, meet some real genuine fans, and help them out if I could, then I jumped at the chance, and started with Watford.

Now before I went to Sweden, I had been to Watford several times, they have come a long way since then. I was so pleased for them. They have proved that a team which plays good, attacking football, can get on top and stay there.

So, I arrived in Watford, parked my car, and then found a cafe to get something to eat. In the cafe were several fans who were going to the match, and I listened to them and thought they sounded really genuine fans.

I finished my meal and went to the ground, and there were lots of people going in. In the old days, years ago, I remember that you only got a few people going in. It just shows what a couple of good seasons can do for a club.

Well, I dont sit down when I watch football, I like to be out there, standing in the open, with real genuine fans pressed round me.

In fact watching a good football match, having the shouting and cheering fans so close to me, almost becomes a sexual experience, and many times I have come away from a football match with my knickers soaking wet.

Of course, as I wanted to meet as many fans as possible, before the game started, I talked with the people standing next to me, and they were all shapes and sizes and all ages, and they were very friendly indeed, although a couple of them did express suprise that a good looking lady like me was a football fan.

I noticed one fan, who was near me, was looking sad, he was about twenty or so, quite a good looking young man, but awfully sad, and something told me something was wrong, and I asked the guy on my right about him.

"Oh his names Jack," came the reply. "He's been sad ever since his girl walked out on him."

"Why did she walk out?"

"Well, word has it that he was lousy in bed, and the girl said as much, and this really affected him. He really believes it, thinks he's useless."

I felt very sorry for theat young Jack. After all, a girl has no right to say that to a man, it really dents his self assurance, and anyway, I always say that a man in bed is only as good as the woman he is with.

My heart went out to this young man, and so as the teams came out onto the pitch, I moved closer to him and started to talk with him, but he was really shy and blushed a lot. What that girl had said to him had obviously deeply affected him, and dented his pride and I wondered if there was anything I might do to help him get back his self confidence.

It was a first class game, and during the interval I got talking to Jack again, and mentioned the subject of his girl, and he blushed, and I pushed the point, for I had to find out if he would benefit from what I had in mind.

"Why did she say you were lousy?"

"I... I... Well, she said that I didn't give her any orgasms," he said at last.

"What did you do to her?" I asked.

"Well, she was the first girl I had ever been with," He said, "So I was inexperienced."

"What job do you do?" I asked. I had to make sure that he wasn't some spoilt rich kid.

"I work in the local garage, in the spare's dept. Its a lousy job, but work is hard to get these days."

Now I knew he was an ideal subject. He was a nice lad, and didn't know anything about sex, wanted to learn, worked hard, was shy, and needed a break, and he was sad and down. Yes, I thought, after the match I am going to make all your sexual dreams come true, Jack.

When the match ended, I left the ground with Jack and offered him a lift, and he accepted. When we got in the car, I sat there, looked at him, smiled and then told him who I was, what my aim in life was, and then said, very softly, "Name your sexual fantasy."

"I don't understand," he said.

"You tell me what your sexual dream is," I said, "and I will make it come true." I then explained again who I was and after a while he believed me, and then said that this must be his lucky day.

"So name your sexual dream," I said. "I'll drive you into London, back to my place, and we'll make it all happen for you."

"Well, I suppose that most of all I want to know how to give a woman the kind of orgasms she wants."

"I never fake orgasms," I told him. "I never have to, for the men I go with soon get into the swing of things. You will give me lots of good orgasms, I am sure, once I have shown you what to do, but tell me, name me the one thing you have always wanted to do with a woman."

He gave an answer that most men give. "I would like to come all over your face," he said, and he blushed as he said those words.

"There is no need to be shy," I told him. "I have been asked some really kinky things in my time, and having you come all over my face would please me a great deal. Okay, let's go."

He didn't say much as we drove into London, and I was sure that he was sort of pinching himself to make sure that he wasn't dreaming.

When we got into my flat, when I took him into the bedroom, he was sure it was all true, for the first thing I did was undress him, and then I told him what a nice cock he had.

I then undressed and that cock of his throbbed like crazy when he saw my naked body. "I am now going to give you a sex session that you will remember for the rest of your life," I told him. "I will teach you many things, and the next girl you go with will love you for it."

He nodded, and he ws blushing slightly as he looked at my naked body, and I told him to sit on the bed, that the first lesson started here.

I stood in front of him and then started to run my fingers all over my naked body, and as my hands moved over my breasts, so my nipples became really stiff and hard.

He gasped with delight when I moved both my hands down to my cunt, and then I started to rub at my pussy lips with my

fingers, and it wasnt long before those cunt lips of mine were pouting out with lust, wasn't long before the juices were trickling down from my cunt lips.

"Have you ever looked all the way into a woman's cunt?" I asked him.

He shook his head.

"Well, if you are going to be good in bed then you should know every part of a woman's body," I told him.

I moved close and then used the tips of my fingers and pulled my cunt lips wide apart so that he was able to look all the way inside my hole, and he was so taken with the view inside my cunt, that he forgot to blush, and that was a good sign.

I then moved onto the bed with him, and showed him something I knew he would like. I proved to him that a really sexy woman never lacks for orgasms when she is in bed with a man.

I reached down, and while he watched, I pushed three fingers all the way into my cunt and then wanked, and wanked really fast so that my juices spurted out all over the place.

Then, when I'd had a really good orgasm, I pulled my fingers out and then licked them dry in my mouth.

"Okay, foreplay," I said. "if you want to get a woman going, then you must know the ropes, so suck my tits and then suck my pussy... I'll tell you how to suck my cunt well."

He sucked my boobs really well, so well, that he gave me an orgasm, and then I told him, in great detail, just how to go to work on my cunt.

I was feeling happy, very happy, for this man was now very relaxed, was enjoying himself, had pushed all his problems to the back of his mind, and I was happy because I was making him happy, and that has always been my aim in life.

He listened very carefully to what I said, and then he went down on my, and as soon as the tip of his tongue touched my pussy lips, I knew that he had taken in every single thing that I had said to hem, for it may have been his first time for sucking cunt, but he did it very well indeed.

His tongue slurped all over the fleshy folds of my cunt lips, and he swallowed down my cream, and then he used his fingers and parted my cunt folds, and then his tongue was inside me, and as he waggled it about all over the inside of my tube, my soaking wet love tube, I started to climax, and the orgasms were huge, and this made him feel good..

He sucked down there for ages and ages, and then lifted his sticky face from my pussy and he was smiling, and I was so glad, for he looked so happy, it was obvious that his self confidence was high, that he was now very sure that the next woman he sucked would have lots of climaxes.

"Now your dreams," I said. "I will suck you off, and then, just before you come, I will pull your cock from my mouth and then spray your spunk all over my face."

He stretched out on the bed, and his cock was really throbbing, and the glans was swollen and hard, and as I brushed the tip of my tongue over that glans of his, so he quivered all over with delight, for this was the first time, so he tols me, that a woman had ever licked at his cock.

His cock tasted very good indeed, all hot and satly, just the way I like it. You will have noticed that I have not mentioned the size of his cock, well, like I said, size is not important, all that mattered was that he was nice and hard, and even a man with a very small cock can get really hard.

I took the glans right to the back of my mouth and was sucking just as hard as I could, and bobbing my head up and down at the same time, applying so much suction in fact that he must have thought that I was trying to turn his cock inside out.

I sucked and sucked , and then felt that glans really jerk at the back of my mouth, and I knew darn well that he was about to come, and so, I very quickly pulled his throbbing prick from my mouth, held it close to my right cheek, and then finished him off with some very quick movements

Tobyward Ltd

of my very experienced fingers.

He shouted loud and long as the spunk gushed out from the head of his cock, and there was one hell of a lot of it - I am pleased to say.

It showered all over my face, and I like spunk so very much that as soon as the first hot thick drop of the stuff hit my face, I had a climax, and I felt my pussy lips gape open yet again, and felt my hot juices bubbling out.

He heaved and bucked as I worked my fingers up and down his shaft, and more and more lovely flowing spunk came from his cock, and soon the entire right hand side of my face was coated with the stuff.

I then took his cock back into my mouth and sucked, and the last drops of hot sperm came out, and I rolled them about inside my mouth and then swallowed them down, and the taste was out of this world.

He was gazing at my face, his eyes wide with sheer sexual pleasure. I have seen that look on the faces of men many times.

Of course, I didn't let it finish there, I looked at him, smiled, and then did what I always do when a man has ejaculated over my face, I reached up with one hand and then used the tips of my fingers to wipe some of the sperm from my chin.

I held my fingers up, the spunk sparkled beautifully, and then I poked out my tongue and lapped at my fingers, drew the sperm into my mouth and then swallowed it down.

Jack was amazed, and really turned on, and he begged me to do it again, saying that this was something that he would always remember.

I did the same thing again, this time wiping some of the sperm from my nose, and again licked the lovely spunk from my fingers.

He then reached over and he wiped some spunk from my cheeks, and it gave me the greatest possible pleasure to be able then to take his fingers into my mouth and suck them dry.

Then I talked to him, told him what women really like, explained all the different position for fucking, told him about kinky things such as water sports and bondage and suchlike, just in case he ever came across a woman who liked that sort of thing.

As a matter of fact I like that sort of thing, but I had no intention of doing it with Jack, for that would have been rushing things just a little too much, for first of all I had to get him used to the basics.

Then I told him about other things, talked to him about how to pace a fuck, how to suck a little better, what he should do with boobs, and all that, and he listened and took it all in.

"Okay, now we will fuck." I said. "But first of all we have to get that cock of yours nice and hard, really hard."

I used my fingers on his cock, and then I leaned over and rubbed my tits all over them, and then I turned round and rubbed the firm smooth cheeks of my bum all over his cock, and the end result was that he got very hard indeed.

There are many, many ways of fucking, but I thought it would be best if he were on top of me, for that is a very basic position, and I thought he would feel good to have my naked body writhing under him while he fucked me.

I was right for he dived on me and his cock went into my cunt right away.

It was good in there, the glans was so swollen it made my cunt walls bulge all the way out.

The balls were tight against my vaginal lips, the shaft was throbbing like hell. I clamped my legs round the small of his back, started to move up and down, and told him not to rush the fuck, but to make it last, to make sure that he gave any woman he was with as much pleasure, and as many orgasms as possible.

He did just as I asked, he was really perfect, and this showed just how much self assurance I had given that young man since he had been with m for when a man has his cock inside my very tight pussy, it is very hard indeed for that man to take it easy, a man's natural inclination when he

feels how tight and wet my hot cunt is, is to blast away like crazy.

Jack took it very nice and easy, just glided that stiff cock of his in and out of my cunt in a nice relaxed way, and the end result was that I came almost right away, and the orgasm was huge, and he smiled when he realised what he had given me, and that I think took away the last self doubt he had.

He went nice and slow, and then I told him it was time to speed up a little, and he did so, his cock going faster now in and out of my cunt, and that cock was hot and hard inside me, and I came time and time again, and my juices were spurting and boiling, and the blood started to pound through my naked body, and it was turning out to be a very good fuck indeed.

Then the glans expanded, and he gave one last final heave, and then the spunk was jetting into me, filling up my quim, and it gave me a huge and wonderful orgasm.

He banged away deep inside my pussy till every last drop of spunk had been ejaculated from his cock, and then he pulled it out, and then, without even asking - which was a good sign £ he moved up my naked body and then dangled his limp and sticky cock in front of my mouth, and it gave me great pleasure indeed to be able to suck the odd drops of spunk and pussy juice from that lovely cock of his.

Well, he stayed all night with me, and I taught him just about everything I knew, and when he went home the next day, he really was a different man, so self assured, so confident of himself, and I was pleased that I had been able to help, for by making him happy, I had made myself very happy.

Okay, all you West Ham fans. Zeta is coming down your way next. Yes, she is coming to see the Mighty Hammers in action down at West Ham, and she will, of course, be looking for someone to help. Don't forget, you can see more of Zeta in the pages of the new magazine *Adult Fantasy.*

HOW A CONTACT MAGAZINE CHANGED MY LIFE

You often read about how men find women by looking in the pages of a contact magazine. Well, Pete, who lives in London, thought he would try the other approach, and he placed an advert in a contact magazine, and he wrote to us and told us the results, and what he had to say was so interesting, that we decided to publish it in full.

Like most men, at one time or the other, I've written off to women who advertise in the pages of contact magazines, and I must admit that I've met a few good fuckable women that way.

But I wanted more of a choice, and so I thought that I would place an advert in one and see what results I got. To tell the truth, I didn't think I would get many, but as it turned out, it was the best thing that I have ever done in my life.

I have used several contact magazines in the past to get women, Unite; Face to Face; Sex swappers etc, but the one I picked was *Jet Scene*.

I thought about it carefully and then placed the following advert: Tall man, wants women who love oral and other kinky forms of sex. No fees. I want a woman with a good pair of boobs who will appreciate being tit fucked as well as cunt fucked.

I sent the advert off with my money to *Jet Scene*, for I knew that it was a magazine to be trusted, and then I sat back and waited.

It was two weeks before the magazine appeared on the news stands, but then, a week after my advert had been published, the postman knocked on the door and handed me thirty letters.

I sat down and read all the letters through, and weeded some out. I didn't bother with the ones who had not enclosed an SAE, after all, why should I pay the postage back to them.

In the end I got it down to five women, and each of them had enclosed a phone number, so that evening I phoned them all up. I spoke to them all in turn, and they sounded nice, and I made dates to go and see them all.

The following evening I went round to see Sandra. On the phone she said she was new to the area, didn't know anyone, needed some sex, had the sort of figure that I had asked for, and had liked my

advert, so had written to me. All that remained now was to see if we would get on face to face.

I went round to her place as arranged, and we did get on, we got on very well indeed, so much so that within an hour of me walking into her flat she was naked.

She had perfect boobs, really lovely boobs, and she loved to have a tit fuck, so we did that first. She stretched out on the bed, and then she used her hands to press her beautiful firm tits together, and I pushed my cock between those tits of hers and then shafted away, and I went on shafting till my spunk erupted all over her tits, and that gave her this huge orgasm.

I then moved up, and with spunk still dripping a little from my cock, I pushed it into her mouth, and she went crazy with lust as she took it inside and then sucked every last drop of spunk from it.

Then I went down on her and sucked out her very sweet tasting cunt hole, and it was wonderful, for she was one of the wettest girls that I had ever seen, and getting my tongue stuck inside her cunt, drinking down her thick flowing juices, was a real pleasure.

Of course, a little later on, I fucked her. And as I slipped the full length of my cock all the way into her cunt, so she came time and time again, and she fucked very well.

I liked what she did afterwards, for after I had filled that pussy of hrs with hot spunk, she reached down with her right hand, and with lust in her eyes, she then poked three fingers all the way into her spunk filled hole and then wanked herself off, and she really wanked hard and fast and that was lovely to see, but she didn't finish there, for after she had had enough climaxes, she suddenly pulled her spunk coated fingers from her pussy, and then she placed them in her mouth and sucked them.

The following evening I went round to see Fiona, and on the phone she had told me she was a nurse, that she was short of sex.

We met at her place. She told me she felt safe getting men from a contact magazine, and also it didn't mean she had to go to pubs and places to find men.

We went into the bedroom, and there she undressed me, and then i undressed her, and when I saw her naked body my cock throbbed like hell, or she didn't have any hair at all round her pussy, and the cunt lips themselves were all pouting and crinkled and very wet indeed, just looking at that cunt told me that this woman really did need sex very badly indeed.

We rolled about on the bed for a while, and then she said that she really missed not having spunk in her mouth, and would I mind if she sucked me off?

I rolled over on my back. It was a great suck, she didn't rush things, she loved cock far to much to rush it, and she realised that the longer the such goes on, the more the man spurts out at the end, and this lady wanted as much spunk as possible inside her mouth, for she said it was the best taste in the world, and drinking down spunk always gave her huge orgasms.

She lapped at my balls first of all, lapped at them nice and gently, coated them with her saliva, and then that tongue of hers worked up and down lon my cock and glans, and she got me harder than I have ever been before.

Then she had my glans inside her mouth, just took it in and sucked very gently, and while her lips were gently sucking, so her tongue was flicking, and at the same time the fingers of her right hand were doing lovely things with my balls.

Yes, she really took her time about it, and got me really hard, and then she had my glans right at the back of her mouth, and she sucked just a little harder now, drawing me all the way in, and her cheeks started to blow in and out.

The fact that she was getting really turned on just from having my cock inside her mouth was obvious from the way the juices were streaming from her cunt, in fact sucking me, tasting cock for the first time for a long time, was enough to make her climax.

After that climax, she really went to town on my cock and her head bobbed up and down, and she sucked very hard indeed, and then she gave this huge suck, so huge that for a moment there I though my cock was going to turn inside out.

Then she had one of the biggest orgasms that I had ever seen any woman have, and the reason she was having such a good orgasm was the fact that my spunk was now gushing from my cock and jetting into her mouth.

She let my cock slip from her mouth, and I thanked her, and also thanked her for the fact that she had replied to my advert in the magazine, and she smiled, she said that several of the nurses at the hospital where she worked, had also written to *Jet Scene* in reply to men who had placed adverts there. It seemed that more women than we men realised do read those magazines.

Well, she had sucked me out, and so I sucked her out, and her taste was nice, and her cunt was hot, and as I explored every single part of the inside of her hole with the tip of my tongue, so she climaxed many times over.

After that I finger fucked her, rammed three fingers deep into that cunt and really gave her what for, and of course, a little later on, we fucked.

She liked to be on top, and she crouched over me and then lowered herself right the way down slowly, so that my cock went up into her cunt very slowly, and what a beautiful cunt it was.

She sat there, on my cock, panting with lust, and then as I reached up and used my hands on her tits, so she started to rock up and down on my cock, at first it was slow, then she speeded up, till in the end she was going hell for leather on my hard throbbing penis.

You shoul have heard her yell of delight when my spunk went banging into her cunt. I

THE ART OF PENIS ENLARGEMENT

By Dr. John Kroeger

Penis enlargement is NOT just a phalacy, it is a PROVEN FACT, another fact whether he admits it or not is that EVERY normal man wishes his penis was BIGGER, irrespective of how big it already is. As we all know the penis basically is a mass of spongy tissue consisting mainly of blood spaces. When only a little blood is inside the spaces, the penis is SOFT. When blood is pumped in the penis ERECTS. Erection, then, is caused by excitement of the male to which he produces the flow of extra blood into the tissues or veins within the member. If these veins could be enlarged – and we know they can – then more blood will enter the penis and it will become bigger. Additonally, strong muscles surround the base or root of the penis. and by contracting, help retain the blood in the head and shaft of the penis. Clearly, the stronger and better trained the muscles become, the longer and better the penis is able to erect, and remain erect for far longer periods. This conditioning or training of holding more blood in the member can easily be developed by regular use of the CORRECT type of vacuum developer or enlarger and coupled with a descriptive step by step guide of full instructions on the methods of using developers in conjunction with penis exercises, any normal healthy male of any age cannot fail to ENLARGE HIS PENIS and develop the art of MAINTAINING A STRONG ERECTION for any duration of sexual pleasure.

In my many years as a doctor and consultant sex therapist I have been inundated with problems on penis size and performance, so as now retirement has given me the opportunity to pass on all those years of accumulated knowledge to branch out into the field of physically helping the public. Firstly I have with the aid of many staff, put together what I know to be the finest, best quality tested developer and literature available in the world today– all I leave you to do is choose the correct item that suit your individual requirements and pocket from my guaranteed selection below. Just think! The man who possesses a fully enlarged, fully trained, peak performance penis need not worry how a woman will compare him with other men. He will know well enough from the actions of her body and the look on her face.

This will have its effect not only on his relationships but on many other aspects of his daily life and work. He will have more confidence in every way – because he will be MORE OF A MAN.

TYPE A DE-LUXE VIBROSUCK (10"-12")

(Electric) These pumps are vibrated by battery operated motors. The unique feature is that during use the male can achieve unbelievable heights of pleasure from the vibrations sent to the head of the penis. This will ensure a strong blood flow to the penis head and also maintain a good erection whilst normal suction of the pump promotes growth and strength of the penile shaft. This item also comes with Spanish Fly and Hard on Drips.

TYPE B JUMBO STROKER (Sauna Action) (10"-12")

This model is water filled incorporating a special penis gripper for constant stimulation. The feature of this pump is the extra power suction chamber which is totally separate from the pump and can be used by the male or female, and being piston operated will ensure a far greater degree of suction than by conventional bulb operated pumps. This item comes complete with lubricating cream, and further more lends itself to comfortable 69 positions when operated by a partner.

TYPE C PISTON ACTION STROKER (12"-14")

Conventional tube design but with special penis gripper for added sensation and built in extra power piston suction chamber. The possibilities are endless with this pump as many recorded growths of up to 4½" have been proudly boasted by regular users. Recommended for penis's in excess of 8½ inches. (Full instructions and lubricating cream supplied).

TYPE D SAUNA ACTION PUMP STROKER

This pump differs to any other, by the fact of its newly developed full length rubber penis sheath. It works on the same principle as a womans vagina, completely encasing the member whilst surrounded by warm water. Coupled with the power pack suction bulb it can achieve extremely quick results in growth compared to any ordinary developer. The sensations of this pump are unbelievable, as it is like having the penis sucked into a warm vagina and the male user can easily be brought to a climax with complete confidence as the specially protected sheath ensures complete protection and hygiene even when used as a masturbation method. (Full instructions and lubricating cream supplied.) (Sizes in brackets refer to penis size desired).

really flooded that pussy of hers, really filled it up to the brim, and she was ever so pleased with that.

The last girl had wanked off after I had fucked, this randy nurse wanted me to finger fuck her, and so for the first time in my life, I pushed three fingers into a cunt I had just fucked. It was quite good actually, and the best part was when she sucked my fingers dry afterwards.

I spent the night with her, lost count of the number of fucks we had, lost count of the number of kinky things we did to each other, but that nurse who had replied to my advert in the contact magazine, certainly turned out to be one hell of a woman.

The third girl I had picked was Candy, and she, like the other two, had just moved into the area. It seems that girls move a lot, and when they do they always use contact magazines when they want to make a first contact in the new area.

Candy worked in a bank, but that didn't mean she was straight laced, far from it, she was a real sexpot with a beautiful pair of really firm boobs, and her nipples were really mouthwatering, red in colour, really stiff, really long. Amazing nipples.

Now, what this lady really liked was to be fucked with a dildo, and she had one, the biggest fucking dildo that I had ever seen in my life. I had no idea how she was going to get such a huge thing into that tight pussy of hers.

I asked her this, and she smiled, she said she had to be very wet, and the best way of getting her wet was to suck her out.

As I went down on her I smiled to myself, for three nights running I had started off sucking three different cunts. Yes, it had been a brilliant idea of mine to place that advert in the contact magazine.

So I went down on the lady and sucked at her pussy, and it was a nice pussy, and as my tongue waggled about inside her cunt, she stated to get really wet indeed, and soon her juices were really flowing thickly into my mouth.

I drank the lot of that lovely tasting cream, and then poked my tongue even further into her cunt, sucked even harder, and of course, that lady was coming many times over as I cunt sucked her.

When she thought she was wet enough, she told me to use the dildo on her.

I pulled my head back from her cunt and then licked my lips, and I took that monster dildo in my right hand, and holding onto the balls, I pressed the glans shaped end against her cunt, and this made her shake with lust.

I rubbed the end of the dildo against her cunt lips for a little while to get as much juice on the shaft as possible, and then I pressed it in nice and slowly.

Her cunt lips parted, and she heaved with delight and sexual satisfaction as the dildo started to slowly slide into her cunt.

I pushed and pushed, and inch by inch that monster dildo went into her cunt. Right the way in it went, till my fingers holding the balls were tight against her pussy lips.

Not for the first time in my life was I amazed that women could take such large things inside their cunt holes.

It was all the way in now, and she was rocking her head from side to side, really having a ball, and I began to wank her with it, stated to move that thing in and out of her soaking wet cunt.

Of course, I did it slowly at first, and than as she got more and more worked up, and as she got wetter and wetter inside her cunt, so I increased the power of the wank, I started to really thrust that dildo hard into her cunt.

Soon I was going flat out, my hand really flashing as I dildo fucked that woman's cunt, and the harder and faster that thing went in and out of her cunt, the better she seemed to like it.

I fucked her with it for a full twenty minutes and lost count of the number of orgasms she had as that thing blasted in and out.

I pulled the dildo out and handed it to her and then watched as she lapped her

juices from it.

Well, when I had recovered from that lady, I went round to see the next woman on the list.

Her name was Tina, and she wasn't new to the area, what she was was another nympho, she just couldn't get enough men, and she told me over a cup of coffee, that she went through men very quickly, and that she now got all the men she wanted through the contact magazines, she placed ads in them herself, and replied to every single man, and she stressed that it was every single man, who placed an advert in the magazines.

Well, we were soon in bed, and I have to admit that I was no match for that lady. I gave her a lot of pleasure, but she never grew tired. Most women, like most men, need a rest every now and again, but not this lady, as soon as we had finished doing one thing, she wanted to start on something else.

but even for me, this lady was something else again.

She wanted a shower first of all, wanted us to be both very clean before we fucked, and so we stood in the shower together, with water streaming down all over us, and she washed me all over, and I did the same to her, and as I rubbed the bar of soap she had a climax, and then she begged me to wank her off with that soap.

I'm not kidding, I'm not joking,, she wanted me to shove that long bar of slippery soap all the way up into her cunt hole and wank her with it.

Well, I have never yet refused a woman anything she has asked for, and so I pushed the soap into her pussy and then fucked her with it, and great big soapy bubbles started to come from her cunt as she climaxed. That was unusual to say the least.

Then, when I had pulled the soap fcrom her cunt, and with the water still streaming over us, she wanted the old golden shower game, she wanted water sports, and I didn't have any choice in the matter, and when that was over, and very enjoyable it was indeed, we had another shower, dried off, and went into the bedroom.

She then got me to slap her bum, which I did, and then she got me to lick her bum, and she climaxed about a dozen times while I was lapping away at her bare arse.

I knelt down by her side, and she reached out and took my balls in her right hand and started to play with them, and I took my cock in my hand and pointing my glans at her face I started to want off.

I wanked and wanked, and this woman climaxed and climaxed and then climaxed some more, it seemed as if her entire body was turning into one huge fucking climax - and I hadn't come yet.

It would take more words than I can muster, to be able to tell you about the orgasm she did have when I did come.

Her entire body lifted off the bed, she seemed to go out of her mind, and she had this really mind boggling series of orgasms.

I pulled on my cock till the very last drop of spunk had been shot out, an then leaned back, and she smiled, then her hand went to her face and she used her index finger to wipe some sperm from her nose, and then she sucked it dry.

She did this over and over again, having an orgasm each time she did it.

You would have thought that would have been enough for any woman, but she didn't want to rest, she pushed me on my back and sa on my face and then waggled her very pouting and fleshy cunt lips all over my face, and while she was doing that, I was trying to keep my tongue up inside her cunt and suck her out.

Believe you me, by the time I was able to stagger back to my place, and flop into my own bed, I felt as if I had been run over by a fucking steam roller.

I wouldn't have missed that for the world.

Now to turn to the last woman on my list.

The last one was Vera, a tall willowy blonde. She didn't have a particular reason for replying to my advert, she said she had donw it for the hell of it.

She had a very nice way of leaning over me and then rubbing her breasts all over my face and then moving down and rubbing them over my belly, and then came the best part, when she moved all the way down and just brushed those boobs very gently over my cock.

Of course, this got my cock really hard, and she reached a climax from rubbing like that.

It was a nice, slow, relaxed sex session with her, even the fuck was nice and slow and gentle, well up to the last minute it was.

I was on top of her, my cock deep inside her cunt, her legs wrapped round the small of my back. She had told me how she wanted it, and that is how I gave it to her.

I eased in and out of her very slowly just rubbing my cock against her cunt walls as I went in, pushing my glans slowly and firmly, yet gently, right up to the very depths of her cunt, and then pausing for a few seconds, and then slowly easing it out again.

It was nice and slow and easy, but even so, she came many times over, and then after I had been fucking her slowly like that for a good twenty minutes of really hard shafting made my spunk spurt into the depths of her perfect tight quim.

It was the longest fuck that I had ever had, and that slow and easy style really turned me on.

After I had removed my cock from her cunt, I moved up her slim beautiful body and wiped my sticky prick dry on her boobs.

Later on, she went down on me, sucked me off, pulled her face away just as I came, held my cock against her belly then pushed my cock away and licked my spunk from her belly.

Well, that was just a brief run through the pages of a contact magazine.

I always get lots of replies when I place an advert. I never realised how many sex starved women are out there.

A lot of women are far too shy to place an advert, so they read the contact magazines and write of to men they fancy.

As I said there are a lot of contact magazines at you local sex shop, and all of them are good value, but I prefer *Jet Scene*. There is no particular reason for this, I just prefer it, but I am sure that if you place an advert in any of those contact magazines you see in a sex shop, then you will have the sort of luck I have had. Yes, I have all the women I can possibly handle since I've been placing my own adverts in those magazines.

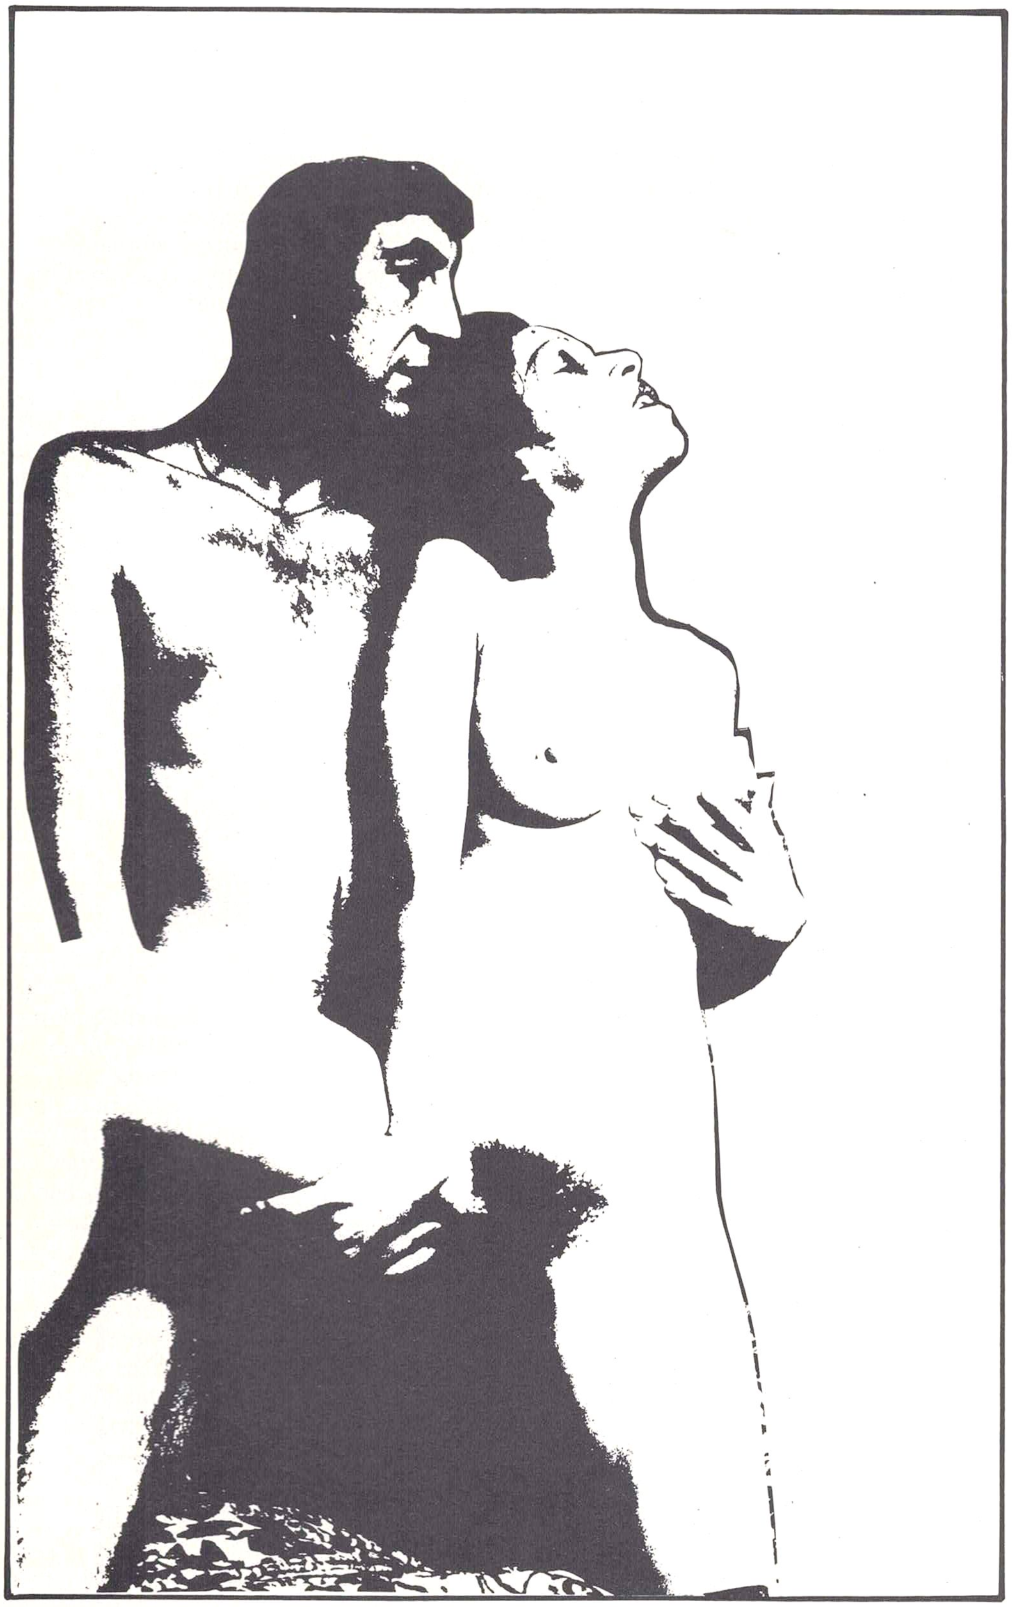
Good Neighbours



Helen Munroe sat in the sitting room of her home in a fashionable suburb of Edinburgh feeling completely fed up and rather sorry for herself. Her husband, Alan, had left home as usual that morning before she rose, attending to his own breakfast as was his habit, before going to his work as Manager of a large clothing store in the city. This had been the pattern for longer than she could remember and the more she thought about it the more annoyed she became.

It wasn't fair, she thought, for long enough he had practically ignored her and appeared to take anything she did for him for granted as his right, it was the same in bed she was sure as she continued to brood on it. If he wanted to make love then he took her whether she was in the mood or not and with no consideration for her feelings at the time, like any normal young woman she wanted to make love too but what angered her was the fact if it so happened he did not want her when she was desperate for a sex session then she just had to frustrate. Now that she had discovered how to masturbate herself and get some sort of relief that way it was not quite so bad but still it was no real substitute for actual intercourse, on the other hand she had never denied him so she was sure he had not had to have recourse to wanking himself and anyway she knew he could always get his pleasure from one of the pretty sales girls in the store. She wondered what he would say if he knew she had found out about his affair with a girl in the stockroom during lunchtime, this was only adding insult to injury she decided and it would serve him right if she were to do something similar but to be honest she did not see much chance of that happening.

Why couldn't they be more like other people? Take the couple next door for instance. They were about the same age as Helen and Alan and had been married for about the same length of time but they gave the appearance of being full of the joys and perfectly happy together. "I'm prettier than Joyce," Helen thought, "so what's she got that I haven't?

On impulse, and as it was about the right time for morning coffee anyway, she went out and rang the bell next door. Joyce opened it and when she saw who her visitor was said, "Helen! Do come in. The coffee's almost ready so would you like a cup?"

Helen said that would be lovely and went into the lounge while Joyce went to the kitchen to arrange the coffee. She returned a few minutes later with two steaming hot cups of coffee and a plate of biscuits and once she was comfortably seated they talked about everyday subjects.

Some little time later Joyce said, "Forgive me, Helen, but you look rather depressed, is there anything wrong?''

''Quite a bit actually,'' was the reply. ''Still it is rather personal and I don't know if you would consider it fair if I were to burden you, or even bore you, with my problems.''

''Well I'm a big girl now so why don't you try me and see?'' Joyce suggested. At this remark Helen told Joyce all her troubles, missing nothing out and her neighbour listened quietly and attentively until she had finished.

''God! You do have a real problem there,'' Joyce said at the end of Helen's remarks. ''I wonder if we can sort it out.''

''Frankly I think it's beyond us but I'd honestly do anything to get an improvement in the situation.''

''Do you really mean you would do anything?'' Joyce asked and on being told she certainly would, continued, ''It seemes to me there are several things which could be done and at the risk of offending you I'm going to be perfectly frank and honest in what I have to say, for a start I don't think you make nearly enough of your personal acdvantages. You have a splendid figure but I am sure you haven't used it to its full benefit up to now, for example look at the length of your skirt for a start.''

Helen did as she was bid and had to admit that her skirt, while not exactly long, did come down to her knees and not halfway up her thighs as did Joyce's. Quite a pity she thought as she did have nice legs and had never before considered she was concealing the best part of them.

Joyce went on, ''If that's what you look like on the outside what are you doing underneath? Come on, stand up, lift your skirt and let's have a look.''

Not having displayed herself for anyone before Helen hesitated for a moment and then came to the conclusion that since Joyce appeared to be genuine in her desire to help it was up to her to co-operate to the best of her ability. She therefore rose and, lifting the hem of her skirt to waist level, let Joyce see her underclothes, it could not be denied that these were practical but equally they did nothing for her. Tights and fairly heavy cotton knickers could not be considered capable of enhancing charms!

On seeing this Joyce said, ''I don't mean to be unkind but if I were a man and thinking of taking you to bed I can think of nothing more likely to turn me off than the sight of you peeling off those tights and climbing out of your knickers, anticipation is frequently as good as realisation and every man wants a bit of a preview if he can. What you really want is something that reveals as much as it conceals.''

''What do you mean?'' Helen asked.

''Look, I'll show you,'' Joyce replied going over to the window and drawing the curtains. When this was done and she had switched on the light she unzipped her skirt and let it fall to the floor. Joyce stood there before Helen's gaze, showing off her stockings, tiny suspender belt and even tinier black nylon briefs. At her crotch her pubic hair could just be discerned and a few wisps of it could be seen coming out at the sides. Of course Helen had heard of such garments but had never thought of actually buying any never mind wearing them.

''See what I mean now?'' said Joyce, ''You can just make out my pussy hair through these and if that doesn't start a man's prick on the road upwards I don't know what will.''

At this remark Helen blushed furiously and when Joyce asked her the reason for this she told her she had never used such words herself and hadn't expected to hear them coming from another woman.

''You mean Alan and you never use these words between yourselves?'' Joyce asked.

''Oh I couldn't,'' Helen replied.

''Of course you could,'' Joyce stated emphatically. ''It is dead easy and you also don't appear to know that a man gets a thrill out of hearing his girl saying them especially when they are getting organised for a fuck.''

''If you're sure, would you mind

JUICES WERE ALL OVER MY FACE

teaching me some then?" Helen asked.

"You don't mean to tell me you don't know them!" Joyce exclaimed.

"Oh I know them, or at any rate most of them," Helen replied. "It's just that not having used or heard them very often I'm out of the habit of saying them and I'm afraid I should be embarrassed if I were to come out with them."

At this Joyce said, "You sure have a lot to learn, Helen, and I'm not too surprised at Alan's feelings really but if you are willing and with your co-operation I'm sure we can sort things out. For a start would I be right in saying you have led a rather sheltered life and were probably brought up to believe that sex was dirty?"

When Helen confirmed that this belief was correct Joyce continued "Just as I thought. I bet you never even let Alan lay a finger on your twat until your wedding night."

"You're right of course," said Helen, "Still I don't see how I can be blamed for that as it was the only way I'd been taught."

"Fiddle sticks!" Joyce replied. "I was told exactly the same but I decided for myself that sex was beautiful and so gave myself to Frank on our third date. Our first fuck wasn't really much of a success as we were both a bit ignorant of the finer points but we soon improved. Now, since it will be best to sort out this mess as quickly as possible you can stay here for lunch if you like and we can see what's to be done. How would that suit you?"

Helen agreed that would be fine though, not being sure of what exactly was going to happen was perhaps understandably a little nervous of it. However as she prepared the lunch Joyce switched the subject back to more general topics and Helen was put at her ease.

When lunch was over and the dishes washed and cleared away Joyce suggested they return to the lounge saying as she led the way. "You don't always need to do it in bed you know, many a time Frank has screwed me in the lounge, on the kitchen floor and even in the bath, variety. That's what you want."

By the time she had finished talking they were back in the lounge and Joyce told her that if she said anything with which Helen did not agree she was to say so and they would then see what they could do about it. This settled Joyce began by explaining the more modern facts of life as she saw them to Helen and once this was done continued. "You remember what I said about your underwear?"

Helen agreed she did indeed remember and at this Joyce told her that if she would take her tights and knickers off she would slip upstairs and get some of her own for Helen to put on and she could then see for herself how enticing they made her look. Helen had no objections to this suggestion and as Joyce left the room so she kicked off her shoes and stripped off her tights and pants. Joyce returned a few minutes later bearing a selection of miroscopic bars, briefs and another suspender belt and stockings.

"Right," she said as she entered the room, "Now take off your skirt and jumper and let's see how these fit you."

Helen did as she was asked and as her skirt dropped to the floor Joyce looked entranced at the lush bush of pubic hair between the legs of the girl in front of her. After Helen had clipped the suspender belt round her waist Joyce gave her a pair of light pink coloured bikini briefs and, telling her to put them on, admitted it was such a shame to cover such an enticing quim. This remark gave Helen a flush of pleasure which she thought strange at first until she remembered what Joyce had said earlier about the use of such words. She decided there must be something in it thinking, 'If this is what it does to me what will it do to Alan?'

When her lower half was clothed in the belt and panties she pulled her jumper over her head bringing into view her bra which, like her knickers, concealed everything by its very practicality. Seeing this Joyce said, "About the only thing I can say in your favour is that at least you are not wearing a slip. Now get out of that thing and try one of mine, though since your tits are much larger than mine it might be a bit of a tight squeeze. Still here's one of stretch nylon which should do at least the tighter it is stretched the more transparent it'll be."

Obediently Helen unclipped her bra and struggled into the one Joyce had chosen for her. It was indeed a tight squeeze but she manged it and it had the effect of lifting her breasts up and bringing them closer together emphasising the cleavage between them.

Thus attired Joyce exclaimed. "You are truly beautiful, Helen! I don't know how Alan can possibly resist you. Just look at yourself in the mirror."

Going over to a mirror in the corner Helen looked at her body in wondrous amazement. She would never have

I EASED MY COCK IN SO DEEP, THAT MY BALLS SLID SLOWLY UP AND DOWN HER WET CUNT LIPS

believed it possible that such clothes could make such a fantastic difference and she had to admit to herself that Joyce did seem to have a good point. She could see her pubic hair through the thin material of the briefs but it was her breasts that delighted her most. They were full and firm and, possibly because of the feel of the material barely covering them and by the conversation beforehand, her nipples had hardened somewhat and were straining against the tightly stretched bra.

"What's the verdict then?" Joyce asked.

"Nice," Helen admitted. "Still I'm not sure. If Alan saw me like this don't you think he'd consider me sex mad?"

"Madly sexy more like," Joyce replied. "Surely that's what this is all about and it seems to me that something fairly drastic is needed to snap him out of his apathy."

"Put like that I'm forced to agree with you though my first glance in the mirror made me think I looked more wanton and brazen than anything. However now you mention it I rather like the idea and I must confess it does give one quite a delicious feeling."

"Now we're getting somewhere!" Joyce exclaimed.

"There's just one snag," Helen continued. "I don't have any undies as sexy as these and though I had hoped to do something about it tonight it looks as though I shall just need to wait till tomorrow since it's too late to go out and buy any today."

"No problem there," Joyce said. "If you like you can keep these on today and use them and I'm sure Alan's reaction will be more than favourable. The only think I would advise right now is that you take off the bra for the time being as it will leave marks since it is so tight. If you put it on just before Alan arrives home you should be alright and I can't honestly see it staying on long after that if you play your cards right."

"That's awfully decent of you," Helen said as she unclipped the bra letting her breast burst free and the red line under them and round her back and shoulders proved the point had made.

"Think nothing of it," said Joyce. "We will go one better and I will also give you a loan of a miniskirt and you can wear a blouse with it."

"I just don't know how to thank you," Helen said in a tight voice. "You know all this talk and wearing your things has made me quite randy and I, wait for Alan to get home

"Good," Joyce said. "Now I'll go and get you a skirt and make us a cup of tea. While we drink it I might just be able to give you some ideas for when Alan comes home tonight so that you will both have a night to remember."

With that she left the room leaving Helen alone with her thought. She wondered how she had been able to bring herself to pour out all her most intimate problems to Joyce but then decided she was glad she had done so. Going back over to the mirror she admired her body once again and, especially as her breasts were now bare, she concluded that Joyce had been right when she had said she didn't used her natural advantages to the full. Well that was about to be changed now she was sure. She was still standing gazing at the mirror and posing before it when Joyce returned to the room with the tea things.

"Vanity, vanity thy name is Woman, and why not?" she said with a smile when she saw Helen. At this Helen moved back and sat in her chair again as Joyce handed her her cup saying, "What great ideas have you thought up since you went out?"

"Well for a start here's a nice short skirt for you and as long as you sit down the right way it will reveal as much as it will conceal so put it on any time you like."

Helen took the skirt so generously offered and before putting it on peeled off Joyce's stockings that she was wearing explaining that they were half a size too big for her and she actually had a pair of her own at home. Once she had fastened the skirt she sat down again, feeling the hem rise what seemed an incredible distance up her thighs as she did so.

"Now for the 'Great Welcome Home' plan," said Joyce. "I think how you should playh it is to meet Alan at the door dressed in your blouse and miniskirt and give him a real sexy kiss for a start. Keep your mouth wide open as you kiss him and try to poke your tongue as far into his as you can. At the same time rub your tits against him and try to feel his prick and balls through his trousers. Don't worry, he'll like it, and he'd need to be less than human not to get the start of a hard on with treatment like that."

"I can't think of anything else specially except to suggest that you talk to him during your session and don't be afraid to use any words you like and I promise you there will be no objections from him. Just think sex and you will act sexy. It never fails," Joyce concluded.

"I'll do just that," Helen said. "How would you like to come round to our house tomorrow morning for coffee and lunch and I'll let you know how successful we've been?"

Joyce immediately agreed to do this and shortly after Helen left, wearing her own blouse but leaving her bra and skirt for Joyce to bring round the next day. On entering her own house Helen saw that she had very nearly two hours yet to wait until Alan was due to arrive home. This decided her to have a bath. She remained in the bath for the best part of an hour before getting out, drying herself, using rather more talc than usual and as a final touch applying a touch of her most erotic perfume behind her ears, on her wrists and just a spot between her breasts.

She was still thinking about all the advice Joyce had given her when she heard his car stopping outside. She was out of her chair in a flash and ran quickly to open the door for him. As he stepped over the doorstep Alan stopped almost in mid stride as he saw the girl standing in front of him and smiling at him.

He was left in no doubt a second later, Helen threw herself into his arms and with increasing wonder he felt her tongue forcing his lips apart and entering his mouth as her tits pressed hard against his chest.

He felt his prick begin to rise as he broke free from her urgent mouth and managed to ask her what had brought all this about.

"Come into the lounge and I'll tell you the whole story," Helen said.

Once in the lounge she made him sit on the settee while she sat on a low armchair in front of him. She then told him all about her visit to Joyce and what they had talked about, missing out none of the details, he heard her out in silence and remained like that for quite some time after she had finished. Although she knew it was his habit to think carefully before speaking the time he was taking on this occasion seemed never ending and she was getting more and more nervous in case he would be angry at what she had done.

Suddenly he laughed and said "Well I never! I wouldn't have thought you of all people capable of doing anything like that. I suppose it is as much my fault as anybody's but I honestly never for a moment suspected you were so horribly frustrated. Come over here beside me and let me tell you, you did the right thing."

Helen needed no second bidding and

immediately rushed over and, sitting down on his knee, threw her arms round his neck. As their tongues probed each other's mouths he put his hand on the inside of her thigh then worked it up higher and higher until he was stroking her quim. Helen in her turn had unzipped his fly and, after a little fumbling pulled his by now semi hard penis out the hole in his Y-fronts.

As they continued their embraces they both became more worked up than either could remember before with each other. Eventually Helen gasped. "Your prick is so lovely and hard and my pussy feels awfully wet so take off your trousers and pants while I get out of my skirt and briefs. I want you to fuck me like I've never been fucked before!"

At these words Alan gasped, dropped his trousers and peeled off his pants, by the time he had done so Helen had divested herself of not only skirt and briefs but had also taken off her blouse letting him see her breasts with their hard nipples confined in the sexy bra she had got from Joyce. With an almost animal cry he stretched her out on the floor before lying on top of her and inserting his tool slowly into her quim, reaching behind her he unclipped the bra and, after he had pushed it up over her breasts, cupped a tit in his hand, massaging it gently, slowly but with mounting intensity they ground their way towards their climax when they came it was as though the heavens had opened and they were being driven, out of control, though the violence of a storm that both were powerless to stop. Gradually their movements became slower and as their passion subsided they collapsed beside each other, both completely spent.

Some time later Alan said as he held Helen close "God! That was wonderful. I never thought it could be like that. All I can say is that we have been mad not to have found this out before but now we have let's not ever slip back to the old days."

"Does that mean you will not be taking that wee girl into the stockroom at lunchtime again?" Helen asked.

Alan drew back at this and countered by asking. "What exactly do you mean by that."

"Oh come off it Alan," Helen said. "You know as well as I do that you've been getting your end away on the odd day down at the store and don't worry, I'm not angry about it."

With a sheepish grin Alan replied. "OK, it's a fair cop and I won't deny it. As to whether it will now be all over I couldn't honestly promise anything, Lucy's boyfriend knows all about it and he doesn't object so I guess it would really depend on the circumstances."

"At least that's a straight answer," Helen said. "Tell me what your Lucy is like then."

As usual Alan thought for a while before answering, "She's about the same height as you but her tits are a bit smaller, her legs are good and she doesn't need much touching up to get her in the mood. I haven't fucked her all that often and each time was standing up with her bent over some packing cases but I must admit it was enjoyable each time."

On hearing this Helen's mind worked overtime and to give herself a little more time to consider the plan which she was formulating she asked "Why did you put it so bluntly when you said you haven't fucked her all that much? I've never heard you come out with anything like that before."

"That's easily answered," Alan replied. "You started it by using words like that and since I found it rather nice and thrilling coming from you I see no reason why it shouldn't work out just as well the other way."

Rising and pulling on the skirt she had used to such good purpose she said "While I make us something to eat how would you like to consider what would happen if we were to invite Lucy and her boyfriend over here for an evening and bear in mind I'm game for anything?" With that she left the room and Alan was

MY PRICK GLIDED ALL THE WAY UP HER GROOVE AND SHE EASED IT IN

deep in thought as he pulled on his trousers and tried to compose himself.

The meal passed more or less in silence, but when they reached the coffee stage Helen asked what he thought about her suggestion.

"I'm all in favour of it," he told her. "I must warn you though that from all accounts Lucy's boyfriend is as highly sexed as she is, and that's saying something, so I don't know how you will react to that."

"I did say I'm game for anything," she reminded him, "and I'll stand by that so let's decide when we can have them and settle it now."

At that Alan rose and going out into the hall picked up the phone and dialed Lucy's number, when she answered he told her what had happened and how Helen wanted her and her boyfriend to visit them in the near future. "I'm expecting Eric at any moment and as far as I know we have nothing arranged for tonight so, if it would suit you, we could come round say about nine o'clock."

On being told this Alan called through to Helen to confirm that it would be alright and on being told it most certainly was informed Lucy that they would both look forward to seeing them then, with that he hung up and went back to rejoin his wife.

Almost exactly at nine o'clock the bell rang and when Helen opened the door she saw a pleasant young couple standing there, she had to admit even to herself, that she could appreciate what Alan saw in this girl, her pert breasts and slim waist were seen to advantage by the jacket of her suit and droping her eyes lower she noted the long tapering legs with trim ankles encased in her dark stockings. Looking at Eric she saw a clean well built young man with a pleasant smile on his face and thought, rather uncharacteristically, that she wouldn't mind being bedded by such a person.

Once they were seated Alan said "I don't quite know how to start but it seems that during the day Helen has suddenly acquired a voracious sexual appetite, I'm very glad to say, that being the case I feel we must do something about it."

"Really Alan!" Helen exclaimed "Do you need to put it quite so bluntly?"

Before he could answer Eric butted in "No need to feel awkward about it as Lucy and I are perfectly adult and broadminded about everything to do with sex, I know Alan has screwed her on occasions and I have shagged quite a few birds as well, neither of us mind this and if we don't there's no reason why anyone else should. Still I gather this was rather unexpected in your case so how about telling us how it all came about?"

"If I have to pick one thing I would say the sexy undies I put on this afternoon," she replied. "Just wearing them and seeing myself in the mirror made me fell all randy and now talking about it is giving me that feeling all over again."

"Well let's see them then," Lucy said and, after a quick glance at Alan and getting his nod of approval, she stood up and took offher skirt and blouse, letting them all see her nipples, rigid against the filmy material of the bra, and the damp patch which was beginning to appear at her crotch. She stood proudly before their admiring gaze and Eric in particular seemed entranced by what he saw.

When Helen asked him what he thought of her outfit Eric replied. "Smashing, I'm getting a hard on just looking at you like that, come on lucy, let's see what you're wearing for me tonight."

Her undies were if anything that little bit more sexy than Helen's the main difference being that she had open crotch briefs through which her pussy hair protruded.

"For goodness sake you two had best take your pants off before your pricks rip the flies out of them," she said. "All that remains to be decided is who is going to fuck whom and frankly I couldn't care less so long as I get a stiff cock up my cunt."

As soon as the men started to take down their trousers Lucy, followed by Helen, stripped off their remaining clothes and in less than a minute all four were naked. After a brief chat it was decided that Eric would go with Helen while Alan took Lucy. Helen was just a bit doubtful now the moment of truth had arrived but when Eric took her hand in his she calmed down and led him through the bedroom.

Eric lay beside heer and as her cool hands played with his erect weapon he stroked her pussy with one hand while he caressed her tit with the other. She felt herself rising to a peak of ecstacy that she had never before experienced and Eric, realised that he was in fact masturbating her almost to the point of coming, changed his position and buried his head between her legs. When it happened she wrapped her legs tightly round her lover at the same time pressing his head and mouth harder against her crotch. As she clawed the back of his neck with complete abandon so he gripped her buttocks and, separating them, pushed a finger up her bum and began to rotate it as hard as he could. As she rode the billowing wave of her climax she exploded with screams and moans of pure delight as with a veritable flood of her juices she soaked the face of the man so hard at work on her quim. Gradually her emotions subsided, and she lay back still and calm.

When he thought she was sufficiently composed Eric climbed up her body, giving her tits a kiss and a suck on the way, before spreading her legs as wide as they would go with his own. Knowing what was expected of her Helen guided his massive tool into her still soaking cunt and felt the thrill of pleasure as it seemed to fill it completely. Clasping her tightly to him he banged away furiously with deep penetrating strokes and then had the glorious sensation of his hot spunk spurting out the end of his throbbing prick and shooting up the pussy of the girl under him. As soon as she felt the first jet of his warm liquid spurt into her Helen was once again lifted on the crest of a wave of uncontrollable passion and for the second time in the space of a few minutes she came, her legs and arms everywhere while she kissed and bit the body of the man doing this to her.

Some time later at Helen's suggestion they rose and still nude went back to the lounge. On entering, it was obvious that Alan and Lucy had been well satisfied also as they both had a contented smile and Alan's prick was hanging fairly soft between his legs as evidence of the good use to which it had been put.

"Well you two look happy enough I must say," Lucy said, "How did it go?"

"Wonderful!" Helen answered. "I actually came twice," she added as though she could still not believe it.

The time having flow past it meant that Eric and Lucy had to leave and shortly after that Helen and Alan went to bed where they lay in each other's arms, exhausted after their efforts, falling quickly asleep.

In the morning, contrary to her habit Helen rose and, slipping on a negligee, went to the kicthen and fixed Alan's breakfast, that he appreciated this act could not be denied and as he was leaving he said he would ask Lucy to select some sexy undies for her from the lingerie department of the store. The deep tongue searching kiss she gave him made him truly realise that things had indeed changed.

At coffee time Joyce arrived as had been arranged, and if she felt any surprise at seeing Helen still in her negligee she certainly did not show it, she listened with avid interest to the blow by blow account Helen gave of the previous night's activities.

"Well you may have been a slow starter but from what you say you sure are making up for lost time, tell me, since I am sure Frank would be all in favour, do you think the others might agree if we were to join you some evening for some sex fun?"

"Now there's an idea?" Helen exclaimed. "Now I've been fucked by somebody else I can think of nothing nicer, I'll put it to Alan tonight when he comes home but I am pretty sure he'll agree."

So a small group was formed and since that time they have met at regular intervals finding enjoyment in each other's bodies. All are convinced it is the best thing they have ever done though Helen never tires of reminding them they owe a debt of gratitude to Joyce for being such a good and understanding neighbour as had it not been for her advice in the first place none of this could ever have happened.

THE INITIATION

by Joan Mathews

We have all heard about the 'initiation ceremony'. Be it a veiled Free Mason murmuring or a childish 'blooding', wehen two friends swear eternal allegiance. There is the initiation into church, a Christening, A Baptism, even a wedding, that is a fatal initiation ceremony! Other far more sinister, happenings go on every day. In thedepths of the night, individuals gather by the light of the moon, utter weird incantations, there is a flash of a knife, and the blood of a cockeral is spilled, and yet another witch joins the coven of screaming naked dancers.

A dormitory in a boys school, it is after lights out, and the lads sit huddled together. Smith minor is about to join the select band. Yes, his father will gladly contribute money to the sect, his father before him had done just that so that he could join the exclusive band of boys, who, between them, managed to run the school.

But what about the girl's school? They must have their own exclusive sect, in a way a coven of females who ruled the roost. What sort of initiation ceremony do they perform? This is a fictional story of such a school, where to join the 'Homers' one had to undergo strange and mysterious 'punishments'; but once one had joined the exclusive group, the doors were flung open to a wonderful and exciting existance... or so we are told....

Elspeth looked forward to the night of her initiation as the most important event in her life so far. In as far as the effect it had on her uture life, it may well have been, although whatever she expected to take place at the initiation, it in no way resembled what actually happened.

The first in a chain of astonishing surprises occured the moment she entered the dormitory and was met by two girls she knew only slightly. There was Cora, the captain of the netball team, and built accordingly. The other girl was Mavis, a more feminine sort of girl wih diminutive breasts and a shy personality. Strangely,she was very influential with the 'Homers'.

They were both wearing black nylon shortie nightdresses, with a white 'Homer' emblazoned over the left breast. With the exception of golden sandals, the nighties were all they had on.

Without a greeting, apart from a nod, they escorted Elspeth down the corridor that led to the showers. They told her to take her clothes off. She hesitated.

"It is part of the ritual" said Mavis, "you will see why later on."

Elspeth unbuttoned her dress and pulled it over her head. All she was wearing underneath was a new pantie and bra set, and a pair of dark stockings. She reached up to unhook her bra, the straps were tight.

She managed to snap the last hook. Her bras were getting very tight lately, they cut into her skin. The weight and size of her large, fully developed breasts filled even the extra space in the wrinkled tip of the cups, and the stitching irritated her nipples making them semi-erect all the time.

She let the pink bra slip down her arms onto the wooden bench in front of the locker. The two girls stared at her breasts, and Elspeth blushed, Mavis stared in amazement, but Cora looked at her the way boys did when they first saw her mammaries. It made Elspeth feel uncomfortable, but she couldn't blame them for gaping. Her breasts were certainly big enough, round and full.

"They are beautiful" breathed Mavis.

"Yes," agreed Cora, "I guessed she was well built with her dress on, but who would have guessed what she was hiding...!"

"You must be proud of your tits" said Mavis, not taking her eyes away from the embarrassed girl.

"My mother had large breasts" murmured Elspeth, "It must run in the family."

Mavis glanced at Cora's tits, which although they werent as large as Elspeth's couldn't be called small. She cupped her own 32"'s and lifted them sadly.

"You and Cora are lucky. I'd give anything to have what you've got hanging there."

Elspeth didn't speak, she didn't say how many times they had been admired and caressed. She took off her shoes and stockings, peeling them down her lovely legs. Then she wiggled out of her suspender belt and put all her things in the locker.

"Now you must take a shower," said Mavis, "you must be spotlessly clean for your initiation."

Elspeth shrugged and stepped into the shower, wondering why her best friend, Sally, wasn't there. She had expected her to guide her and help her. She looked around for a shower cap, there wasn't one.

She sighed as the spray ruined her hairdo and reached for the soap, working up a rich lather on her limbs and body, then watched it wash off and gurgle down the drain. She stepped out of the shower stall and saw both Cora and Mavis waiting for her with white fluffy towels. Even though she didn't fancy the idea, she let both of them dry her off. Cora took the half of her from the waist up, Mavis from the waist down. She wished that Sally was there to take over, she was sure that Cora didn't have to take so much time drying her breasts.

She looked around for a nightdress like they were wearing.

"You can't wear these" she was told, "Until you are a fully fledged homer."

Naked, her red hair still wet and plastered to her face, she marched back along the corridor, the girls on either side of her, until they halted in front of a closed door.

The room was dark except for a conical ray of light that shone down from the ceiling.

She was nudged forward and made to stand in the blinding glare of the spotlight.

She could hear whispers, and looking around her eyes couldn't penetrate the blackness.

"Sally," she murmured, "where are you?"

She ad never felt more naked in her life, and as she tried to cover herself with her hands she heard more sniggers and giggles.

A deep voice in the darkness began asking her embarrassing personal questions.

Ws she a virgin?

Was she raped of did she open her thighs voluntarily?

Did she enjoy being screwed?

Had she been sexed by a woman?

Did she prefer men?

Did she masturbate?

Did she use a vibro?

Did she prefer a man, or a woman, or masturbation?

Did she feel like a screw at this moment?

Did she come every time she was sexed?

Elspeth was shocked by the questions. She couldn't imagine what possible bearing these things could have on her becoming a 'Homer'. Yet she had paid her pound, and she knew the importance of being a 'Homer', so she swallowed her pride and humiliation and answered the questions truthfully.

Next she was blindfolded and told to kneel in the circle of light. Cora and Mavis with her, taking her arms and pinioning them to her sides.

She caught a whiff of male after shave. What on earth was a man doing here? This was a girl's school. She wasn't afraid of men, they had made love to her, made her reach for the stars... unless it was gong to be a gang rape! God! she hoped not, she had read about those things, and her blood ran cold at the thought.

The scent grew stronger and she could feel the heat of someones loins close to her face. What felt like a man's penis brushed over her mouth. She tried to turn away, but one of the girls, she wasn't sure

which, held her face so that the penis was forced into her mouth. But it didn't taste like a prick, not as she knew it. She ran her tongue over the tip. It wasn't a man! The blindfold came off, but the girls still held her arms, and Elspeth saw that it was a sausage held high between a girl's thighs curving up from her belly.

Her face was locked between the girl's thighs and Elspeth couldn't look up to se who it was, but Mavis told her what to do.

"CHEW!"

As part of the ceremony Elspeth had to eat the whole sausage.

Cora explained the ritual to her. It followed the ancient rite of an African tribe of Amazons. When these ladies of the jungle captured a male warrior from another tribe, they first screwed him. Then, when each member had been satisfied and he was of no use to them, he was turned over to his capturer, and she devoured his penis.

This rite was now performed by the Homers, and every member had to go through with it before being accepted into the order.

Elspeth found out the identity of the girl standing before her. It was Sally, and she wasn't really surprised, Sally had sponsered her into the movement, and it was the duty of the sponsor to take on the role of a male during the ceremony.

As she knelt before Sally, the lights came up, and to her horror, Elspeth discovered that she had been performing in full view of about thirty females, of varying ages. Some of them were years older that she, long since left college. All of them, she was told, were fully fledged Homers, and had all gone through the same ritual she had, and was going to go through... because her initiation had just begun!

Elspeth was conducted to a private room, furnished fit for a queen, including a huge double bed. She was ordered to lay down on the bed, Cora and Mavis holding her hands and legs, while Sally, as her sponsor, loomed over her.

Her body tensed, and she could feel herself getting excited at the thought of what was going to happen, Sally put her hand on Elspeths flesh, it made her breasts feel larger, tight skinned, as if they were going to burst. She drew air into her lungs, hungrily, and her nostrils flared as Sally's lips moved on her own, forcing her lips apart and plunging her tongue into her open mouth.

Elspeth moaned, she felt a sudden desire in her loins, Sally's lips were voracious in their demands. Elspeth couldn't contain a low moan of pleasure, it felt so good. She had never been so hot before, not even with the various men who had screwed her. She was teased until she thought she couldn't take any more. Then began the downward sweep, a kiss on the underpart of her breast, then on her belly. A dart of the tongue in her naval, then farther down, through the red forest. A moment of panic streaked through Elspeth when she realised what Sally was going to do. She struggled, but the other two girls held hr fast.

"Please" she panted, "I don't want you to do it."

"Yes you do" Sally whispered, and buried her head between Elspeth's pulsating thighs.

At the first lash of her tongue, she thought she would faint, the sensation was so intense. But that was only the beginning, Sally had foung the 'little man in the boat' and she proceeded to rock him until he began to quiver!

Elspeth pressed her hips upward in blind seeking, her mouth working convulsively, incoherent whines and mews of pleasure escaping from her lips, and then... finally, with one great gasp, she sobbed, her whole body shaking as a giant tremor tore a hoase scream of completion from her spasming interior.

"Why" she whispered, "if you wanted me this way, didn't you do it before?"

"Part of the ritual darling, only Homers can fraternise this way with another Homer."

And now that Elspeth was one of the fraternity, Cora and Mavis took their turns with her!

clean and tidy, so she asked Katie if she would go round when she came home from work, prepare him a meal, tidy up his flat, maybe make his bed and do any washing he needed doing. Katie was glad to help, she had always liked Mr Norris. Helping now, would be a pleasure.

She had been visiting his flat for a few days, straighten up, making meals, when he made a strange request. His feet had always hurt him, and up to the time of his accident, he bathed them every night, now, due to the plaster cast that stretched from his fingertips to just above his elbow, he had difficulty.

"Would you mind doing them for me?" he said.

She didn't mind doing them at all, and got a bowl of hot soapy water. She took off his shoes and socks and rolled up his trouser leg a few inches. Of course she soaked his trousers!

"It's no good like this," he laughed, undoing his belt and pulling down his trousers.

Katie stood up and turned her back, blushing furiously, she had never seen a man without his pants before.

Mr Norris looked at her, a smile of amusement on his face, then the smile slowly faded as he noticed the way her dress clung to her trim buttocks, the dark stockings that lent a grace to her curvy legs. Katie was growing up!

"I'm stuck," he said, "with only one hand I'm helpless."

She hesitated.

"Katie, I'm old enough to be your father there is nothing wrong, you are simply helping me, Please."

Nervously she unzipped his trousers and pulled them down, bending over him so that he could see the gentle swell of her virginal breasts.

The tail of Mr Norris's shirt covered the opening of the front of his Y fronts, but there was a huge bulge that lifted the material. Katie couldn't tear her eyes away from it and a new sensation was born in her loins, a moist warmth that frightened her. Mr Norris noticed her agitation, but he didn't push the issue, he didn't want to frighten her away.

The following day she went again to Mr Norris's flat, and he told her how his feet had felt so much better after she had bathed them, and would she do it again?

She fetched the bowl of water, took off his shoes and socks, unzipped his trousers like she had done the day before. Only this time there was a slight difference. Mr Norris wasn't quite as careful about covering the opening in his Y fronts, and the lump under his shorts was standing straight and stiff, like a tent-pole. She could see his hair curling, black and dense. Mr Norris wasn't very careful either about the way he splashed his feet in the water, drenching the girl and the front of her thin dress!

She jumped to her feet, the light weight material clinging to her youthfull figure. He said he was sorry for getting her so wet.

"I'll go home and change." she stammered.

"No need for that."

"But I'm wet through!"

"Take your dress off girl, it will soon dry here."

"But... I've hardly anything on underneath."

He smiled. "What does that matter Katie, I've known you since you were a child. You've helped me to take off my trousers, why shouldn't you take off you dress? I was married for a long time. Turn round and I'll unzip you."

She moved closer and turned so that he could reach the zipper.

He slid her dress down to her waist, catching his breath when he saw that all she had on was a too tight bra and matching pants. He looked at her smooth shoulders and slim waist, his prick throbbing and growing more rigid at the sight of her delicate flesh. With one hand he pulled her dress over her hips, and it glided down to the floor. Her legs were long and beautiful, and through her white nylon panties he could see her buttocks, high and firm and flawlessly moulded. It took all his self control not to pull her to him and kiss her soft white shoulders, pressing his stiffness against her buttocks. But he fought the desire, there was time. He

turned her gently, and she shyly tryed to hide the swell of her breasts with her right hand, while she kept her left hand over the shadowy swelling between her thighs that her flimsy pants couldn't fully hide.

"You are lovely," he breathed, "very very beautiful."

She blushed at his compliment.

"The lovliest thing about woman is her breasts."

"A girl less beautiful than you can charm a man if her breasts are full and shapely. You are going to have beautiful breasts for all your life my dear, men will grovel at your feet. Katie, look in the top right hand drewer of my dressing table, there is a jar of special cream my wife used to use, and she had wonderful breasts."

He watched her bouncing buttocks as she crossed the room to the dressing table.

She brought back a small jar, unlabelled.

"This is a special formula, my dear, by using this cream my wife increased her bust measurement to 40", it can do the same for you, make you big and beautiful, make every man admire you, and every woman envy you."

She could visualise herself with a large bust, and the thought excited her.

"Do you just rub it in?"

"Yes, but you can't do it yourself, it doesn't work, it has to be a man's hand, something to do with the grease I believe!" He dipped his fingers in the jar. "Let me show you."

Her nipples puckered and another surge of warmth invaded her loins with the thought of a man's hands on her breasts. She moved aside the bowl and stood between his thighs, every muscle tense, her heart thumping as she watched him scoop some cream from the jar. She leaned forward and hunched her shoulders so that he could slide his hand down the front of her gra.

He moved his palm across her breast, rubbing her nipples back and forth, making them into hard taut points. Katie was beside herself with emotion, needles of pleasure shooting through her. She mad no effort to stop him as he released her bra and her virgin breasts were exposed. He leaned forward and put his lips to one of the points. The feeling of that first soft wet lick of his tongue over her heated nipple was intense and she fell against him. Not quite realising what she was doing, she grabbed his head and forced her breast deeper into his mouth. As she hugged him close, he put his one good hand behind her, stretching the elastic waistband of her panties and carressing the smooth flesh of her buttocks.

She was panting heavily.

"Will you lie on the bed?" he murmered.

"Why?" she croaked.

"It isn't good for you to leave it like this. I won't hurt Katie, I promise."

She reached for her bra.

"You won't need that."

She got onto the bed, pulling the sheet up to her chin.

He tweaked the bumps that her rigid nipples made in the sheet, his prick uncomfortably stiff, his shirt tail almost useless as a covering.

His touch was so light that Katie didn't realise his hand had moved under the sheet until it was too late for her to close her thighs. When his finger made the first delicate caress on her panties, she writhed, but his touch soon drained her strength, he knew where and how to caress her.

"Don't Mr Norris please."

"Lie still my dear, and relax." his hand grew bolder.

She drew in her breath as he pulled down her panties, running his hand through the fuzz that covered her pelvis. "No", she cried. "Please stop!"

His hand wedged between her thighs, and she went taut as he fingered the hot soft moist lips he found there. She could feel him teasing her expertly, and she ceased to resist him.

Her breathing was ragged and heavy, her thighs moved as if on their own. It was a terrible and frightening helplessness, but as pleasure warmed her body, she began

to writhe and move against his fingers. She threw back her head and clawed at the sheet with her tingling fingers, her legs wide apart, her hips bouncing in rhythm with his fingers. Her mouth opened to suck in more air, her eyes opened wide by seeing nothing through the glaze of overwhelming pleasure he was bringing her.

The air whoozed out of her like a punctured tyre, and for seconds she couldn't speak or think. She sobbed with animal pleasure as the sensations rocked through her body, erupting in her loins and her spasming interior. She'd had her first orgasm.

"I've never felt that way before in my life." she murmured, still tense.

He stroked her hair, longing to tear back the sheet and thrust his painful swollen flesh into her wet womanhood. He gently cupped her breast and slowly pushed back the sheet until her naked body was exposed.

"You liked that Katie, I could tell."

He was now showing her his thick shaft, dribbles of moisture at the tip.

He lay on his back, by her side, the weapon sticking out hard and hot.

Katie felt a desire for the man rushing into her.

"Come over me," he whispered, "I want it near you."

She straddled him, rubbing her heated wetness over his naked belly as he lay there.

Gently he pushed her downwards until she came down, and felt the heat of his stiffness between her thighs... entering.

For a moment fear overtook her, even though her womb screamed for his contact, and she tried to lift herself away, but the pressure of his hand on her hip held her in place, and she slowly lowered herself to him. She could feel his bigness sliding between the moist walls, deeper and deeper into her virginity, he was getting bigger... so much bigger.

Then she stiffened and clenched her teeth against the stabbing pain that shot up into her brain and wrenched stragled crys from her lips. She was impaled on a spike, and she started to cry. His hand bore down on her hip again, and she continued to lower herself down hard against his belly, and to her surprise she discovered that she had taken all of him.

She felt fulfilled, and at that moment she wanted to hold him forever.

He started to move against her, slowly and masterfully he guided he into a rhythm.

She writhed in pleasure as a million ants crawled through her insides, more stimulating than his fingers. She felt his hand on her breast, teasing pulling at the nipples. She wished he could use both hands.

She closed her eyes and gave herself up to the sweet torment that was flooding her loins, higher and higher they went into the cotton soft clouds of desire, until they reached thecrest. Then, all at once, she felt to be tumbling head over heals as violent spasms occured in her loins and deep in her stomach, and she fel forwards onto Mr Norris's chest, limp and exhausted.

For some weeks Katie fancied herself to be in love with Mr Norris, daily she would go into his flat, undress without a word, then demand that he make love to her. She found out the pleasure of having two hands undress her, then lay on her back in a more orthodox position while he pounded into her, raising her time and again to the sky.

But of course, he was much older, and she tired of him. She started to go to discos, meeting boys more her own age, and with her knowledge of sex, culled from the experienced Mr Norris, she was soon reaching the clouds.

So she lost her virginity without really knowing what had happened. In her naive way she had done what Mr Norris suggested. Now, when she thinks of that jar of cream, she smiles, It certainly did the trick with Katie.

Dear Editor,

Last summer was really good, we had a few weeks of really hot weather if you remember, and what I like about sunny days is that women walk round with almost nothing on.

Well it was on such one sunny day that I was out walking round my farm.

There is a small brook which runs through the wood, and there, sitting on the edge of the bank dangling her feet in the water was a naked woman. Her clothes were on the grass, and she was obviously cooling down.

She turned and saw me, and smiled. She made no attempt to cover herself. I walked up to her, she said she and some friends were camping a couple of fields away. She had gone for a walk and got hot, thought she would cool down.

Then, almost before I knew what was happening, she said that being naked under the hot sun always made her randy, and then her right hand was rubbing up and down the front of my trousers.

She was obviously some kind of nympho, and the last thing I was going to do was pull back. She rubbed some more, lust in her eyes, and then she unzipped me and pulled out my cock and played with it, and as she touched it, so she started to pant with lust, she said she was randy, needed a fuck, that I had the sort of cock that she would like to have inside her, and would I screw her.

Would I? Wild horses wouldn't have dragged me away from her at that moment, and I moved back and quickly took off my clothes.

We stretched out on some grass, and with that hot sun beating down, she started to run her hands all over my belly and then down to my cock, and her fingers clamped round my cock and those fingers of hers felt so very good that I had to use all my self control to stop myself from coming on the spot.

Then she moved back a little and opened her legs and whispered that it would be very nice indeed if I were to suck her out.

I didn't waste any time at all in getting my tongue into her pussy, and as soon as I started to suck her, she climaxed.

I sucked that lovely cunt for some time, and then rolled over and pointed at my cock, and she smiled, nodded, and moved down my body, and then her lips closed over the head of my cock and she started to suck me. I was able to push two fingers all the way into her cunt, and she had another orgasm as I finger fucked her, and then she lifted her head from my cock and suggested that I fuck her.

I knelt down behind her, soon had my hands on the cheeks of her very beautiful naked bum.

She had a really glorious cunt hole, nice and hot and wet, and very tight indeed, and I fucked away, banging into her as deep and as hard as I could go, and she started to have even more orgasms.

I fucked and shafted and thrust and hammered in and out of her hole and that was when she had her biggest orgasm.

I thrust away until my cock started to go limp, and as soon as I had pulled my cock out, she rolled round and took my sticky cock into her mouth and sucked it dry. Then she got dressed, thanked me for the fuck and took off.

Of course, I went after her, but couldn't find the camping place. I found it the next day but they had packed up and gone.

I like the summer, and from now on in each and every hot day we get I am going to go back to the lower wood to see if that girl ever turns up again.

K.J. Chester

Dear Editor, At last I know what it feels like! I'm talking about the Deep Throat thing. Ever since I read about that Linda Loveloce woman taking a cock right down her throat, I've been dying to find out what it felt like, but most women don't want to know, for giving Deep Throat isn't easy.

Two days ago, my dreams came true, I was in bed with Jilly, and she said she knew all about it, and would I care to have it performed on me?

She went down on me, used her tongue all over my cock and balls to get me really hard, and then she took my cock into her mouth and sucked, then my glans went right to the back of her mouth, and she winked at me, and then opened up her throat and sucked.

My glans was now three inches or so down her throat and it was a most incredible experience. It was unlike anything that I had ever known before.

Her throat was sucking me, her throat muscles were creating pressure against my cock and how she didn't choke I will never know.

My cock stayed down her throat right to the very end when my spunk gushed out, and she sucked every last drop.

Of course, she had climaxed while drinking down my sperm.

Now that my dream has come true, now that I have really experienced deep throat, all I can say is that it is as good as I thought it was, in fact it is even better. There is something about having your cock that far down a woman's throat, feeling her throat muscles sucking you, that beats all other sexual experiences.

F.D. Luton.

Yes, we have heard it is good, however it does take a lot of practice, and it isn't a thing to do lightly. Any woman thinking about giving deep throat should do many throat exercises before she attempts to swallow cock...Ed

Dear Editor,

You published a letter recently from a guy who said that having the woman on top when you fuck was the best position going. I would like to take issue with that man.

I feel that the best position is when the woman is on her hands and knees and you can kneel behind her and fuck her cunt from the rear.

When the woman is on her hands and knees you are in control of the situation. I like to kneel there and then just rub the head of my cock all

over the cheeks of her arse before I fuck her, and I have found that most women go mad with pleasure when they feel a hot cock rubbing against the cheeks of their bum.

You needn't start like that of course, you can lick her bum with your tongue before you do anything else. I prefer to use my hands and fingers on the bum and then rub my cock all over it, and then place my hands on the bum cheeks once more and slip my cock under the woman till my glans is touching her cunt lips, and then if the woman really knows the score, she will reach back and under and curl her fingers round your shaft and then guide your cock into her cunt, and there is nothing quite like having a man help you slip your cock into her .

Once I start fucking her, I lean over, feel her heaving bum cheeks on my belly, and with her holding onto my balls, I reach under and then use my fingers on her hanging tits.

Okay, I would agree, that a fuck is a fuck is a fuck, and that really, at base level, as long as you are able to get your cock into a woman's cunt, then how you get it there doesn't matter.

Dear editor,

Talk about a suprise. It was my birthday, and my wife Sue, said she would have a very nice suprise for me when I got home.

When I got home I found Sue, in bed with a girl from down the road, Helen. Yes that was my birthday treat from my wife, she and Helen were going to fuck with each other and me. It just had to be the best birthday present a man ever had.

Helen was really lovely, slim, with nice tits, a very smooth skin, no hair on her pussy, and really pouting cunt lips.

These two naked women went down on me, nd while my wife lapped her tongue all over my balls, so Helen started to run her tongue up and down my thick hot shaft.

I was moaning with joy right from the word go. Well I have always known that my wife was a really good cock sucker, but it turned out that Helen was just as good, and between them they gave me a blow job that I will remember for a very long time.

My cock was deep inside Helen's mouth when I did come,and she took every last drop of my sperm inside, and had this huge orgasm as she did so.

Then she opened her mouth, and showed the fact that she had not swallowed down all my spunk, some of it, thick dollops of it, were still inside her mouth.

My wife moved over, put her arms around Helen, and then kissed her on the mouth, and my wife's tongue, I knew was flicking inand out of Helen's mouth, taking the sperm from it. It was nice to see those two naked women share out my spunk in such a way on my birthday.

Well, I moved off the bed after that, and just watched for a while. Well, when you have two women like that in the same room then you'd be a fool not to tell them to get it together so you can watch.

I joined in after that. Helen was still flat on her back, and while my wife moved up and started to suck and lick at Helen's tits, and Helen shoved three fingers into my wife's cunt, I went down and started to have a good old suck at Helen's cunt.

It was a nice little scene, there was Helen flat on her back, using three fingers to wank off my wife's cunt hole, there was my wife, sucking away like ther was no tomorrow on Helen's tits, while I had my stiff tongue as far as it would go inside Helen's cunt.

After a while, my wife moved round and sat on Helen's face, and I could hear Helen slurping away inside my wife's cunt, while I was working away inside her cunt.

Of course, this was getting me very randy indeed, and decided to give Helen a right seeing too with my cock.

So, with my wife still sitting on Helen's face, with Helen still sucking out my wife's cunt hole, I got between Helen's legs and then guided my hard stiff cock all the way into her cunt hole.

Now I always thought that my wife had a tight cunt, but Helen's was just as good, and just slipping it in there, feeling the fleshy ribbed walls feeling the juices flowing and bubbling round my shaft, was so fucking good that I almost came right there and then.

I started to shaft that cunt, started to thrust in and out, and as I did so, my wife got off Helen's face and moved round the back, and the next second I felt my wife's tongue lapping and flicking all over the cheeks of my heaving bum.

Now that was sheer heaven, it was a real wonderful sensation to feel my wife licking away at every single part of my bum, while I was banging my cock in and out of Helen's tight cunt. Yeah, that was a birthday I will remember for a very long time to come.

Dear Editor,

She had the biggest tits that I had ever seen in my life. She smiled at me and moved over to the bed, and pulled her knickers down and I saw she had a bum and her cunt lips were pouting with lust.

Her name was Sara, and I met her through the paes of a contact magazine that I had bought at my local sex shop. She was a nurse, wanted sex, worked long hours, had placed an advert in the contact magazine.

Anyway, there she was, on the bed, those huge boobs sending shivers of lust up and down my spine, ad I very quickly undressed and joined her on the bed, and of course, the first thing I did was handle and fondle and suck and lick at those lovely tits, and she soon climaxed. Yes, she was proud of her tits, liked them to be sucked so much, that she had a climax while I was slurping away on her red right nipple.

While I continued to suck away on her tits, her right hand went down and she started to play with my cock, and she soon had me at bursting point, and I asked her if she would be so kind as to let me come all over those fabulous boobs of hrs, and she smiled, and said that apart from actual fucking, there was nothing she liked better that to have a man's spunk over her huge boobs.

So I knelt be her side, and she used her hands to press those huge tits of hers together, and I took my cock in my right hand and started to wank.

I wanked and was so worked up that when I came I shot out more spunk than I had ever done before in my life.

And as that spunk of mine spilled over her boobs, she climaxed with a huge shout of joy. I pulled on my cock till every last possible drop of hot spunk had been pumped out of me.

She sat up on the bed, and then she used both her hands to lift her right tit up as far as it would go, and then her head came down, and with a look of lust in her eyes, she poked out her tongue, and then used the tip of that tongue to lap up as much sperm from her tit as she could, and then she did the same thing with her other spunk coated boob.

She was really sexy, and I was so glad that I had seen her advert in the contact magazine that I had bought at my local sex shop. I know that there are still some people who feel that contact magazines are a rip off, and that they are a waste of money. Well, I can only go by my experience, and that is if you buy good rate contact magazines at a good sex shop, if you read them carefully, if you follow all the instructions about sending on your letter, if you make your letter nice and short, then you will end up with as many girls as I have fucked over the past year.

I have never spent one single penny on any of those girls that I have fucked, and the mere fact that they advertise in the contact magazines means that they are sex starved.

She'll never say NO again!

A viciously effective 'whip—hand ' stimulator (available in black or white) as favoured by the ladies of the Brazilian aristocracy.
Its unique snake like action mercilessly activates the nerve ending of the vaginal orifice, nerves that are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct and women who thought they knew themselves well, report a massive increase in fluid emission, after just a few moments alone with the vibrating penis.
It is contoured according to the penis of a donkey(which has more pleasure giving bumps and ridges than the human penis) but is sensibly proportioned at 7½ inches long.
Until very recently the vibrating penis was a black market item selling at £10.00 or more, but we are able to offer this brand new concept in female stimulation at a more reasonable price of £3.99 POST FREE

AVAILABLE IN BLACK OR WHITE.

Dear Editor,

I live in this block of flats where people are always moving in and out, last weekend a delivery truck pulled up and theis woman moved in in the flat above me.

A couple of hours later, there was a knock on my door and there was the woman, she was about twenty five very pretty, and said she couldn't get the central heating working and could I help.

I went up to the flat with her and got it working, and she made me a cup of tea. Her name was Mary, she was a Model.

Then I saw a dildo on the table in the far corner of the room, and she saw me looking at it and she smiled, said she used it in her business, seemed she was a porn model, and then, right out of the blue, she said that as I had really helped her, perhaps she could returne the favour by letting me watch her use the dildo on herself.

I sat on a chair, and she undressed, and her body was really stunning, and then she took that dildo in her right hand and stretched out on the bed.

She placed the glans shaped end of the dildo against her cunt lips and started to rub with it, and before long she was very wet down there.

It was such a thick long dildo that I was really amazed that she could get it all in, but she did, and then she started to wank with it, and it wasn't long before she had a climax, and it was a really genuine one, she wasn't faking for my benefit, you couldn't have faked an orgasm that big.

She carried on wanking off till she had another orgasm, and then pulled it out and she looked at me and asked if I was up to giving her a good fucking.

I undressed and with my cock throbbing like hell, I got onto the bed and she pulled me on top of her, and withing seconds my cock was going in to her pussy hole.

She really went to town during that fuck, heaved up and down, clawed at my back, wrapped her legs round my back and went at it hammer and tongs till in the end I gave one final thrust into her love hole and then spurted my spunk in there.

I banged away till I could bang no more, thrust till my cock went very limp, and then pulled it out and wiped it dry on her belly and then moved back.

Her cunt looked really good, for the pussy lips were pouting, and sperm was dribbling out.

It was the first time in my life that I have ever gone down on a woman and looked inside her pussy hole after I have fucked her, but I'll tell you this, it won't be the last.

Something tells me that my life is going to be changed a great deal by the fact that she has moved into the block, for she is a sexy lady, and she says that unless she gets fucked at least once a day then she starts to feel very frustrated indeed.

Well, it would be very manners on my part to allow a woman to go sexless, wouldn't it?

Tim. Portsmouth.
